"Mr. Greenleal's part in the work is not merely well, it is admirably, done. His notes are full of learning, carefully considered, and of most com-

mendable brevity. He has had no ambition to magmendable brevity. He has had no ambition to magmify his office. He has not encumbered his pages
with a showy display of cheap learning, nor imposed upon the profession the necessity of purchasing a mass of speculative discussion, of no practical
utility. The whole work, edited
throughout as the first two volumes have been, will
be one of the most valuable gifts ever bestowed upon
the legal profession, and will add essentially to Mr.
Greenleaf's already extended reputation."—North

THE WILD CHERRY AND SARSAPARILLA. which, on the basis of this preparation, have long been celebrated in Consumption and Scrofula, Diseases of the skin, Coughs, Colds, Spitting of Blood, Asthim, &c. Though this remedy has been but a short time before the public, yet it has gained perhaps more character and reputation as a cura-tive in those diseases than any remedy of the day. The Bishop of the Protestant Episcopal church, (the Right Rev. W. R. Whittingham.) authorized (the Right Rev. W. R. Whittingham.) authorized us to say he has used it in his own person with decided benefit—Dr. S. Harper, of Kent Island, has written to us, he has used it with great success in his practice [see his letter in the pamphlet.] And in a letter from a lady on the Eastern Shore of this State, she says: "I had a letter from Miss Eon Tuesday; she says mother, has requested her to be the says of the says mother has requested her to the says of the says mother has requested her to the says of the says mother has requested her to

my, Isabel derived almost instantaneous relief from DR. MARTIN'S SYRUP OF WILD CHERRY. Her discase was Consumption in its forming stage.

The Boonsborough Odd Fellow, of Washington county, Maryland, June 20th, 1848, says: "When an article has afforded relief to so many persons as DR. MARTIN'S COMPOUND SYRUP OF WILD DR. MARTIN'S COMPOUND SYRUP OF WILD CHERRY has done, we feel bound to make it known. There never was an article in this country that has afforded relief and gave more satisfaction than this. In the neighborhood of Brownsville, in this county, it has effected several important cures, and, from our own certain knowledge of it, we pronounce it unequalled for the cure of Coughs, Colds, and diseases of this kind."

"We speak from personal knowledge, and after a thorough examination, when we say, that this work has been executed with the most remarkable fidelity and accuracy. These are alphabetically arranged, and the references are made both to the page of the Police of the Cunited States of the Country of Polysicians, and also used a variety of another of physicians, and also used a variety of the same place, says in his crificate dated 22d March, 1849: "I applied to a number of physicians, and also used a variety of the same place, and the references are made both to the page of the Police of the Country of the Same place, to try a bottle of your NATIONAL.
